

Subject: Italian Car Day 2013

Dear Italian Car Day Participants, Sponsors and Volunteers;

If you have not heard yet.....Italian Car Day (ICD) is on July 6, 2013 (rain or shine). A detailed event agenda will follow.

Registration for Italian Car Day 2013 is now open. Please visit www.italiancarday.com.

For 2013, we have added three new activities;

First Tuesday of May (7th), June (4th) and July (2nd), ICD will be hosting “**ICD Cars & Gelato**” meets at *Ice Cream Patio* in Woodbridge (hwy7 & woodstream) between 7 to 10 pm. Parking will be reserved to ensure peace of mind. Be there early as space is limited.

Italian Car Day in cooperation with **Saturn Drives** (<http://www.youtube.com/SaturnDrives>) invites you to the first “**ICD Rally**” on June 2 and “**ICD Pre-Event Rally**” on July 6.

On June 2, “ICD Rally” will take place through the most scenic Niagara escarpment routes leading to the “Ultimate Garage”. Upon arrival you will be greeted by some of the most beautiful collection of Italian cars and motorcycles while graciously hosted by one of our Major Sponsors with a delicious BBQ lunch. More details will be sent and posted on Italian Car Day web site.

On July 6, “ICD Pre-Event Rally” will take place before the event at 8:30 am and rolling into the event around 10:30. More information on timing and departure location when you register on ICD web site. By pre-registering to the drive, you are guaranteed a spot with your similar marque on the show field upon your return.

Participation in both drives and BBQ is FREE. Route details will be distributed the day of the rally. The Rally is open to all exotic and Sports Cars. All other fees for park entrance and ICD Car registration apply. The Rally is designed to meet all types of driving skill levels and cars while complying to legal speed limits and requirements. (See Saturn Drives Cruise Rules and Information).

Italian Car Day Inc. is a Not-for-Profit organization. Last year, thanks to you, we raised \$ 50,000 for *Safehaven Project for Community Living*. For 2013, it is our privilege to continue working with Safehaven in support of the Local Community.

Stay tuned for more information and remember.....TO REGISTER AS SOON AS POSSIBLE.... as space is limited.

Sincerely,

Italian Car Day Organizers
